

Dear All,

Thank you all for participating in the Ghost Town Webinar. I wanted to share this list of references mentioned during my presentation. The syllabus for my short course, "[American Ghost Town: The Urban History](#)," is also available through the YAA. There are many more sources to discuss; please don't hesitate to reach out to me directly if you have any questions about the presentation, readings, or Urban Studies at Yale.

Many Thanks,

Elihu
