Yale Alumni ACADEMY

2022-2023 TRAVEL PROGRAMS

Chile, Land of Contrasts

JANUARY 19 – FEBRUARY 3, 2023 / 16 DAYS

Indy Burke and Bill Lauenroth, *Yale School of the Environment*

Season's Greetings from Rose Alumni House!

As we enter winter break, I'm happy to report that the Yale community is stronger than ever and looking forward to a new year full of new horizons. Over this past semester, campus life has been vibrant once again with students, faculty, and staff gathering as before while embracing new ways of working and learning together. We're also proud of the new and exciting connections we have made online with so many of you during these extraordinary times.

When we mailed our annual catalog of travel programs in February of 2020, we could never have imagined how the world would soon change. But we re-grouped, transitioned Yale Educational Travel into Yale Alumni Academy, and launched digital programming to bring the University's faculty, research, and scholarship to you in the comfort of your home. In 2022 and beyond, Yale Alumni Academy will continue to offer substantive learning experiences online, new programs on-campus, and renewed opportunities to learn through travel.

I invite you to explore these pages and begin dreaming about new adventures in learning. Our 90-day policy ensures that you can book with confidence. As a leading voice in the global pandemic, Yale adheres to the highest standards for the health and safety of students, faculty, and alumni. Any trip we sponsor will be reviewed according to a rigorous checklist 90 days prior to departure to confirm that it may proceed with Yale's official approval. If a trip must be postponed, you will receive a full refund. You may also cancel up to 90 days prior to departure with no penalty.

Many of you have contacted us to ask when we will resume mailing out printed brochures for our trips. As we emerge from the pandemic, we are taking a new approach. You may occasionally receive a printed brochure like this one for special trips we wish to highlight, but most of our travel materials will be shared digitally. We hope you'll add us to your approved email senders and visit the Yale Alumni Academy website for in-depth information.

As always, we are here for you. You can reach Yale Alumni Academy by email at alumniacademy@yale.edu or by phone at 203-432-1952. We wish you a safe winter season and a joyous New Year!

Warm regards from Yale,

Lauren Summers
